

Anti-Bacterial Matt OPP Film

- Eliminates 99% of bacteria that comes into contact with the film.
- Same matt finish and mechanical properties as Boss Digital Matt.
- Exclusive and revolutionary solution to the graphic arts sector.
- No matter how many hands touch the product, the film will remain free of bacteria.
- Tested according to ISO 22196.
- Boss Bloc main additive is based on silver ion technology.
- Boss Bloc is effective for the intended lifetime of the product it's added to. It is built-in and doesn't wear off or leach out.
- Boss Bloc has been proven to be effective against Escherichia coli and Staphylococcus aureus (MRSA) and therefore the scientific consensus is that it will work against other bacteria in the same way.
